Tracker - Pro Team 190 TX

\$ 21,900

Description

Tracker has long been a leader in affordable, well built boats, and their fishing line leaves little to be desired. Case in point is this Pro Team 190 TX. As the flagship of the Pro Team lineup, this competitive-class fishing boat comes completely equipped with only a cover and brake upgrade for the trailer as the only items on the options list. For those looking for the best bang for the buck, this may be the boat of choice. Key Features • Exclusive all-welded .100 aluminum Revolution hull with Smooth Ride Guarantee • All-aluminum Power-Trac offset transom and full-length longitudinal stringer • Minn Kota 12V, 45-lb. thrust trolling motor Lowrance X-4 Pro fishfinder • Aft 16-gal. livewell with bait bucket—aerated, timed and recirculated with pump-out • 3-across seating with storage, fold-down center seatback with drink holders and step to aft deck and 2 fishing seats with secure screw-in seat bases • Lockable 8' center rod box, rod hold-down straps (bow deck and cockpit side), bow/aft storage boxes with aluminum lids, aft drop-in boxes with 3 tackle trays • Interstate cranking and trolling batteries and 2-bank, 4-amp (8 amps total) onboard battery charger • Painted gunnel and hull sides with natural aluminum bottom for long-term durability
