## Yamaha - VX Cruiser H.O.

\$ 22,000

### Description

Straight from Top Speeds website. These two newly redesigned 2021 VX Cruiser HO's are Yamaha's number one selling personal watercraft globally. Having only 65 hours, they combine big horsepower performance with cutting edge technologies and features, in an extremely versatile and affordable package. This craft comes with the industry's largest displacement and most reliable 1.8 Liter High Output marine engine for unbelievable power and speed, theatre-style bolstered seat for ultimate riding comfort for up to three people, 2 pull-up cleats for easy tie-ups to docks and other craft. Above the waterline, the newly designed VX deck delivers improved rider ergonomics and comfort with deeper, wider, self-draining footwells and a new seat profile that is 4 centimeters narrower than its predecessor. The updated dashboard comes with an all-new 4.3" Connex LCD display with customizable speed and PIN security controls, a new multi-mount system for attaching your favorites digital accessories, increased user-friendly and water-resistant storage space for packing all your gear, food and essentials, and a feature-packed glove box with charging ports and LED lighting.
